Experience

Frontend Developer — Buyval

December 2023 – Present | Remote

- Designed and developed a custom **admin dashboard** for an e-commerce client, enabling seamless product management, order tracking, and customer analytics.
- Implemented **dynamic filtering, sorting, and search** functionalities, reducing administrative workload.
- Integrated **RESTful APIs** for real-time data synchronization between frontend and backend.
- Optimized for **mobile responsiveness**, improving cross-device user experience.
- Improved UI/UX using **Next.js, Tailwind CSS, and React.js**, leading to a **30% increase in admin efficiency**.
- Collaborated with backend developers to implement **authentication, security, and role-based access control**.

Frontend Developer — Strabl

September 2024 – February 2025 | Remote

- Developed a seamless **checkout system**, ensuring secure transactions and reducing cart abandonment rates.
- Built a **merchant dashboard** for product management, order tracking, and sales analytics.
- Integrated multiple payment gateways and implemented **real-time order updates**.
- Optimized the checkout UI/UX using **Next.js and Tailwind CSS**, leading to a **20% increase in conversion rates**.
- Conducted **performance optimizations** to improve load times and platform scalability.

Frontend Developer — Klemweb ICT Institute

March 2022 – February 2023 | Remote

- Developed and maintained user-friendly web applications using **React.js, Next.js, and Tailwind CSS**, improving engagement.
- Collaborated with backend developers to integrate **RESTful APIs**, enhancing performance and scalability.
- Improved website loading speed by **40%** through efficient asset management and code optimization.
- Provided mentoring and technical support to junior developers.

Key Projects

ReadersHaven — E-library System

- Designed and launched an innovative **e-library platform**, expanding content by **33%** through user-uploaded e-books.
- Boosted user registrations by **53%** via personalized reading lists and community features.
- Increased site traffic by **75%** and improved average session duration by **40 minutes**.

SnapShop — E-commerce Website

- Developed a dynamic e-commerce platform with **secure checkout** and **personalized user features**.
- Improved conversion rates by **65%** through enhanced product navigation and checkout flow.
- Implemented retention features like **saved items and recent views**, increasing repeat purchases by **20%**.

Flick Finder — Movie Discovery App

- Built a **movie discovery platform** leveraging the **TMDB API** to provide real-time search, trending, and personalized movie recommendations.
 - Designed an intuitive interface for **filtering, searching, and browsing** movies by genre, rating, and release date.
 - Enhanced user engagement with **personalized watchlists, favorites, and recently viewed features**, leading to improved session times.
 - Optimized performance using **Next.js dynamic data fetching** and caching strategies, reducing API overhead and improving load speed by **25%**.
 - **Tech Stack:** Next.js, TypeScript, Tailwind CSS, TMDB API
 - **Live Demo:** [Flick Finder](#) | [View Code](#)
-

Education

Federal University of Technology, Akure

February 2024 – Present
B.Tech in Mathematical Sciences

Klemweb ICT Institute, Oyo, Nigeria

May 2021 – February 2022
Diploma in Software Engineering

- Built and deployed multiple full-stack web applications using **React, Laravel, and MySQL** within six months of starting.
-

Certifications

- **Diploma in Software Engineering** – Klemweb ICT Institute (May 2021 – February 2022)
-

Skills

Frontend Development: Next.js, React.js, HTML, CSS, JavaScript, jQuery, Bootstrap
Backend Development: RESTful APIs, Node.js, MongoDB **Databases:** MySQL, SQLite, JSON
Testing: Jest, Cypress **Tools:** Git, GitHub, VSCode, Shadcn

Soft Skills: Cross-functional collaboration, Performance optimization, Scalability & security considerations

Interests

- Building open-source projects
 - Exploring AI in frontend development
 - Gaming
-

Languages

- **English** (Fluent)
- **Yoruba** (Native)
- **Arabic** (Beginner)
